Organisational Structure

Objectives and Activities

The key aims of our Trust are:

- to help accelerate and sustain the progress towards higher attainment and achievement
- to raise students' aspirations and open their eyes to the vast array of opportunities in the modern world by further developing a stronger collaborative approach which draws on a rich range of partnerships in the community
- to develop our curriculum through co-operative learning and the use of new technologies, thereby enriching the learning experience of all students
- to develop an outstanding learning environment equipped and fit for the 21st century.
- to build an effective, coherent and inspiring learning journey for all Chipping Sodbury School students – with transition from primary schools to Higher Education and highly skilled jobs.
- to enable closer, collaborative working with the community and other partners.
- to empower young people to fully engage in the leadership and development of their school and local community

The Trust's charitable objectives are to advance the education of the learners of the school.

The Trust will meet the requirements on Trusts as detailed in School Organisation (Requirements as to Foundations) (England) Regulations 2007.

The Trust will work to give all stakeholders in the community every opportunity to benefit from the shared knowledge, practices and skills of the Trust partners by developing a community based approach to learning. This will encompass all age ranges from primary through to adult learning and will strive to raise the aspirations of participants at all stages in their life.
