

Guide on how to access your child's online information in Go4Schools

Accessing the system

1. Go to the school website: www.chippingsodburyschool.com (a link to Go4 can be found by scrolling to the bottom of the website) or use the web address www.go4schools.com
2. Click on the Parent tab:

3. Type your email address into the **'first time user'** box (this must be the email address recorded for you at school and linked to your children) and a link will be automatically sent to you. Click on the link, where you will be asked to create your own password. Your password must be strong; it has to have at least 8 characters, including 1 Upper case, 1 lower case, 1 number & 1 special character. For example Cat1234? Once in, you can change this password at any time in **'my setting'**.

Welcome

Welcome to the GO 4 Schools login page for Parents and Guardians. If you have been provided with access by your child's school you can use GO 4 Schools to access their reports and to see their attainment, attendance and, for many schools, their behaviour records too.

First-time User?

If you haven't logged on to GO 4 Parents and Guardians before, type your email address and click the "please send me a password" button. (Please note that you need to provide an email address that has been registered in GO by the school(s) that your child/children attend.)

Email address:

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

Enter your email address here and then click on

Please send me a password

What if your email is not recognised?

If your email is not recognised by Go4Schools, then this is probably due to the fact that the email you have provided the school is different to the one you are using to log into Go4Schools. To get this problem rectified please contact Go4parents@chippingsodburyschool.com detailing your name, your child's name, tutor group and the email address you are attempting to login with.
