

# Guide on how to access your online information in Go4Schools

## Accessing the system

1. Go to the school website: [www.chippingsodburyschool.com](http://www.chippingsodburyschool.com) and follow the link or use the web address [www.go4schools.com](http://www.go4schools.com)

2. Click on the Students tab:

Type your email address here.

3. PLEASE NOTE: Your email address has changed. The first part of the email address remains the same as before, for example 15bloggsj but you will need to type @chippingsodburyschool.com instead of CSS.lan.

So your new email address will look like this: [15Bloggsj@chippingsodburyschool.com](mailto:15Bloggsj@chippingsodburyschool.com)

Use your new email address to login to Go4school.

4. Click the 'first time user' box and a password will be automatically sent to you. Once in, you can change your password in 'my setting'.

The screenshot shows the 'Welcome!' login page for students. It includes a heading 'This is the GO 4 Schools login page for Students' and instructions: 'In order to login, you will need to use the email address that your school holds for you.' Below this, it says: 'If you don't have a password yet, or have forgotten your password, you can request a password reset email using the First-time User? and Forgotten your Password? links.' At the bottom, it says: 'If you are having problems logging on, please contact your school.' To the right is a login form with fields for 'Email address:' and 'Password:', a checkbox for 'Remember my email address', and a 'Sign in' button. Below the form, the 'First-time User?' link is highlighted with a red box and an arrow pointing to it from the text 'Click the first time user box...'.

### First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "new password" button.
