On 25th November, sixth forms students from Chipping Sodbury School and members of The Castle School council attended a political forum hosted by representatives of local MP Luke Hall (who was absent). The students debated and voted on whether the voting age should be lowered to 16. They then discussed local issues important to them and also were shown how to get involved politically at a young age. The group then had a talk from Matthew Riddle, the local council leader before then questioning him on his role in the council and his council career. Two students from Chipping Sodbury School, Ashley Wilson and Ethan Jarman won the opportunity to visit Parliament on 9th December, which included a tour and sitting in the public viewing gallery during Prime Minister's Question Time (PMQs).

Modern Languages Faculty News

Congratulations to Jaya Hunt in 7TR3 who won the draw for a £10 reward voucher to spend online or on the high street. All of the monthly and fortnightly winners in French were entered into the draw so a big "felicitations!" to all of them for their hard work during terms 1 and 2.

The next draw will be at the end of term 4 so keep up the effort. If you impress your French teacher you may be nominated as her Linguist of the fortnight or Mighty Fine Linguist of the month. That way it may be YOU who wins the next £10!

South Glos Netball Success!

Congratulations to the Year 8 netball team who finished first in the South Gloucestershire netball league. On Tuesday 12th January they went on to the next round of the inter-county league against Worle School in Weston-Super-Mare, losing 37-15. The girls played really well and should be proud of the progress they have made throughout the course of the year. Well done to Lucy Bradby, Poppy Smith (girl of the game), Macey Woodruff, Katie McSherry, Amy Penfold, Kate Dale (captain) Becky Way, Katie Pellow and Grace Millais.

A very proud Miss Joyce.

The Great ~~British~~ Christmas Bake-off

Just before Christmas the school ran its first Year 10 Christmas Bake Off competition. The standard of baking was very high, making the choice of winner a difficult decision for our judges, Mrs Strange and Mr Yeomans. All the students showed a high level of technical skill, but the winners stood out for their creative use of Christmas flavours and decoration. Megan Sawyer was overall winner with her Christmas dinner pie and the runners up, Chloe Smith, Alex Penfold and George Smith, produced imaginative cakes. Well done to all who took part.
