Dear Parent/Carer

## Parents' Consultation Evenings

### Online Appointment Booking

I would like to invite you to attend our Parents' Consultation Evenings. These are important evenings and will provide you with an opportunity to meet with your son or daughter's teachers to discuss progress.

Chipping Sodbury School uses an intuitive, easy to use, online appointment booking system for students in years 7 to 11. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

If you do not have access to the internet, or have any queries regarding the online booking system, please contact the school reception, who will be happy to book appointments on your behalf or help with any queries.

Please visit <https://chippingsodbury.parentseveningsystem.co.uk/> or simply click on the link which can be found at the bottom of the school website to book your appointments. (A short guide on how to book appointments is available in the Parents section on the school website). Please login with the following information: Student's preferred first name: Student's preferred surname: You will be asked for your son/daughter's date of birth to login in to the system. As each evening approaches we will notify you when the booking system will become live.

Yours sincerely

David Hinkins  
Deputy Headteacher

Deputy Headteachers: Mr D Hinkins  
Assistant Headteachers: Mrs H Blackmore  
Business Manager: Mr R Blacker

committed to learning

#### Off-Track Parents' Evening 5

'Off-track' Parents' evenings will use the progress review data to further support students that are not making the required progress. When analysing the Progress Review data, we are able to identify a small group of students in each year group who are not achieving their potential in a number of subject areas. In order to support getting these students back on track, progress leaders will be inviting them and their parents, to meet the appropriate staff at Parents' evening 5.

If you have not heard from us prior to the date of an off-track evening then you can assume that your son or daughter is working hard, and achieving at or above their expected levels/grades, and so will not be required to attend the Off-track evening. Please see this as a strong indicator that your son or daughter is doing well in their subjects; although you are always encouraged and welcome to contact their subject teachers individually, should you have any areas of concern over the course of the year, either before or after their scheduled standard Parents' Evening. Teachers will respond to your concerns in the usual manner.
