Dear Parent/Carer

Parents' Consultation Evenings

Online Appointment Booking

I would like to invite you to attend our Parents' Consultation Evenings. These are important evenings and will provide you with an opportunity to meet with your son or daughter's teachers to discuss progress.

Chipping Sodbury School uses an intuitive, easy to use, online appointment booking system for students in years 7 to 11. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

If you do not have access to the internet, or have any queries regarding the online booking system, please contact the school reception, who will be happy to book appointments on your behalf or help with any queries.

Please visit <https://chippingsodbury.parentseveningsystem.co.uk/> or simply click on the link which can be found at the bottom of the school website to book your appointments. (A short guide on how to book appointments is available in the Parents section on the school website). Please login with the following information: Student's preferred first name: Student's preferred surname: You will be asked for your son/daughter's date of birth to login in to the system. As each evening approaches we will notify you when the booking system will become live.

Yours sincerely
