September 2021

Dear Parent/Carer

## Chipping Sodbury School Open Evening Thursday 30<sup>th</sup> September 2021

I have great pleasure in inviting you to our Open Evening on **Thursday 30<sup>th</sup> September from 5.45pm.**

During the evening you will have an opportunity to tour the school, speak to students and staff and learn about our happy, thriving community. Our broad curriculum ensures all students study a wide range of subjects alongside a wealth of enrichment opportunities to enable all individuals to follow their interests and pursue subjects which inspire them.

In preparation for the evening and to assist decision making, the Headteacher's presentation will be made available online via our website from Wednesday 29<sup>th</sup> September but I will be available all evening along with other members of the Senior Team and the governing body to meet you in person, answer questions and discuss our school and how we meet the needs of all our students.

We appreciate that some visitors will be anxious about mixing in the building in large groups due to concerns regarding Covid. To assist with the smooth running of the evening, we are inviting pupils and parents/carers from different primary schools to arrive at a **suggested** time\*. Please see over the page for the plan. However, if you are unable to arrive for your recommended slot, please do not worry, turn up when it is convenient for you. You do not need to inform us of any change of plan this is purely to help with the flow of visitors around the site. We also request that any adult conducts a lateral flow test prior to coming on-site. We will not be asking for evidence of the result but hope you will be able to assist with our measures. Should anyone be more comfortable wearing a face covering, this will be respected and recognise this is a personal choice not a requirement.

These are exciting times at Chipping Sodbury School. We have been enjoying outstanding results for students at both GCSE and A level over the past few years demonstrating the impact of our continuous improvement across all key stages. The school has long been proud of its support for student welfare and to enable all individuals reach their potential. In addition there are many broader opportunities for personal development for example trips, expeditions, sporting fixtures, music and student leadership. Chipping Sodbury School develops the whole child and nurtures successful, rounded young people. We are an ambitious school which aims to do the best for all our students while nurturing them in a happy and caring community.

I very much look forward to seeing you on the evening. Should local Covid rates rise significantly and we are unable to go ahead as planned, please check our website and we will aim to offer an opportunity to find out more about our school. If you are unable to attend and wish to visit the school, please contact us to book a tour (01454 862900).

Yours sincerely,

Katherine Turner  
Headteacher
