

Residential trips at CSS

Below is a grid indicating residential trips that are currently run at CSS or are planned to run over the next couple of academic years.

The information below should be viewed as a guide; it is based on previous trips or those in the planning, the exact costs, dates and durations will be issued with the trip letter at the time or promoting the trip. Additional trips may also be added over time.

The trips are open to the year groups indicated (students will need to be on roll and in the appropriate year group at the time of departure).
