Copyright - Students must not violate copyright laws. It is an offence for a student to do any of the following without consent of the owner: copy the work; rent, lend or issue copies of the work to the public; perform, broadcast or show the work in public; adapt the work.		
Detentions - We do use detentions during the school day and after school as a sanction for misbehaviour. The time and duration of the detention set will be reasonable and proportional to the offence. The school is also able to detain students during early mornings, Saturday mornings or holiday detentions. Schools no longer need the consent of parents – all notifications for detentions will be shown on Go4Schools. The school assumes that the parent/carer has received the notification even if there has been no response. It is the responsibility of parents/carers to make alternative arrangements for students' safe return home after the detention.		
Emergency Services/Student Support Agencies - (Office note section 7 & 9) - Incidents occasionally occur which necessitate the involvement of the emergency services. If the school is requested to release contact details of students to help with their enquiries, e.g. as an independent witness to an event, medical information in the event of an accident, the school is obliged to release these details. Notification will be sent to parents/carers confirming the release and the name of the receiving officer. These meetings may include representatives from external agencies, or referral to external agencies such as Educational Welfare Services, School Health Nurse, Behaviour Support Team, Educational Psychologist, Connexions, Youth Offending Team, Child and Adolescent Mental Health Service, etc. Parents/carers will be informed or contacted when an external service referral has been made as an outcome of the meeting.

Once a child leaves school, their record is deleted from the main library system and the biometric data is immediately deleted.</p>

- Parents / carers are welcome to take videos and photos of **their** children at school events for **their own personal use**.
